~ TESTIMONIALS ~

"Andy LoRusso is one of the most talented and unique individuals that I have ever had the pleasure to know. He has such a genuine love for cooking, singing and engaging people, and I can absolutely see that it comes straight from his heart. His cookbooks are wonderful and he believes in engaging everyone you love in the kitchen." - LW

"I saw you at the Isle of Wight Festival and thought you were fantastic! Quite possibly the highlight of the festival for me, far more entertaining than anything on the main stage!" - Alex

"You mix pop and jazz technique which makes an interesting and unique sound, as well as flavors in your singing style, like you do with cooking!"
- From WFBL 1390 Radio Hosts Joey & Jim, Syracuse, NY (Comments from John & Joey.)

"An evening with Andy is like bringing Pavarotti and Pasta into your home. An unbeatable combination. You'll want the night to go on forever." - J & L Caplan
